

Reason(s) Why Comments by an Overseas Researcher is not Appropriate

As a rule, review comments from overseas researchers are solicited for a proposal submitted to the category of Specially Promoted Research. However, if the applicant considers that his/her proposal document should not be sent to overseas researchers for some reason, he/she can select “Not Appropriate” for the entry “Appropriateness of Comments by Overseas Researchers” (one of the web entry items). In that case, the applicant should give the reason of the choice within 1 page. The appropriateness of the reason of the choice will be judged by the Scientific Research Grant Committee.
